PROCUREMENT · TENDERS · IT PROJECTS

Gwmsrang Muchahary

I run government tendering from the first notice to the signed work order on GeM and Assam e-Procurement, and I lead the IT projects that follow.

CANDIDATE NOTICE	OCT 2026
ROLE	Head, Procurement, Tender Management and IT Projects
EMPLOYER	Digitaloma Private Limited
PORTALS	GeM · Assam e-Procurement (online and offline)
BASE	Kokrajhar, Assam
LANGUAGES	English, Bodo, Assamese, Hindi

5+
Years of relevant experience

3+
Years on government projects

Gold
GeM certification, advanced functionality

2
Portals handled: GeM and Assam e-Procurement

SCOPE OF WORK

The full tender lifecycle, handled in one place

From reading the requirement to tracking delivery, each stage is covered by the same person, so nothing is lost between teams.

1. **Market research**
   Market research, price analysis and vendor comparisons to plan procurement before a bid or tender is prepared.

2. **Specifications and BOQ**
   Technical specifications, scope of work and procurement requirements, drafted and evaluated from both the buyer's and the bidder's side.

3. **Bid preparation**
   Technical and financial bids, tender documents, BOQs, compliance statements and supporting documentation, prepared, reviewed and submitted.

4. **OEM and vendor coordination**
   Quotations, authorisation letters, MAF and technical compliance documents gathered from OEMs, suppliers and vendors.

5. **Submission and clarifications**
   Bid submission, replies to clarifications and review of corrigenda, online and offline.

6. **Post-tender and execution**
   Work orders, delivery schedules and contractual deliverables supervised through to completion.

SUPPORT FOR OTHER BIDDERS

I have also helped contractors, suppliers and vendors prepare and submit their own bids on GeM.

PAST PERFORMANCE

Experience

System Administrator and Project Head

FEB 2021 – PRESENT

Digitaloma Private Limited, Kokrajhar, Assam

Primary responsibility for planning, managing and executing company projects. I lead IT project development and delivery, coordinate technical teams, and manage government tender participation and execution from planning through successful delivery.

2021 – Present · Head, Procurement, Tender Management and IT Projects

Government e-procurement, tender management and bid preparation

- End-to-end government tendering and procurement through GeM and Assam e-Procurement, offline and online.
- Technical and financial bids, tender documents, BOQs and compliance statements prepared and submitted.
- Specifications, scope of work and requirements drafted and evaluated for both buyer and bidder.
- OEM and vendor coordination for quotations, authorisation letters, MAF and technical compliance.
- Bid clarifications, corrigendum reviews and post-tender activity.
- Work orders, delivery schedules and contractual deliverables supervised through execution.

2023 – 2025 · Project Coordinator

Departmental dashboards for the Bodoland Territorial Council

Led and coordinated the development and rollout of departmental dashboards for the Bodoland Territorial Council (BTC) government. I gathered requirements with departmental officials, directed the technical development team, tracked progress, supervised implementation and testing, and delivered on time against departmental requirements.
